The Malones' Tour of Ireland

Join us as we travel to six of the most beautiful and traditional counties of Ireland for six full days. Enjoy sightseeing of these counties during the day while enjoying daily doses of music, sessions and entertainment. We will visit the Burren in Co. Clare along with Lisdoonvarna, home of the Match-making Festival and the quaint town of Ennistymon, famous for its colorful shopfronts. From there we travel south to the Dingle Peninsula for a day including a stop at John B. Keane's Pub in Listowel. Upon returning to Clare we visit the towns of Cliffs of Moher and Doolin, famous for Gus O'Connor's Pub. While in Galway, we will tour this historic city and enjoy music in the Crane Pub at night. From Galway, we travel to Connemara & Mayo to visit Chieftains' Matt Malloy's Pub in Westport and take a walking tour of Cong, where "The Quiet Man" was filmed. As we travel back to the south, we visit Bunratty Castle & Folk Park and then proceed to a panoramic tour of Limerick City, featuring the sights made famous by Frank McCourt in his book "Angela's Ashes". In Tipperary, we will experience the Rock of Cashel, the ancient seat of the early Kings of Munster. All of this, along with performances galore with The Malones and with Traditional Irish music sessions with the best of the local musicians. Pubs will include Tom Malone's, O'Connor's, The Crane, Matt Malloy's, John B. Keane's and Dolan's for sessions, local entertainment & of course, music by the Malones- Luke & Fintan!
